

WHEN I
(T: K. Scholz)

When I feel so lonesome and surrender to the night
He looks down on me as if to tell me it's alright.
When I'm despairing at myself, afraid of losing ground,
I know he understands me, and in his eyes I drown

In a cooling wash of comfort,
In a warming wave of hope.
All my worries lose importance,
And I just let go.
I let go (*I let go*),
I let go (*I let go*),
Ooooh...

When I behave the way I do, the way I've always done,
When I need some reassurance that I'm not the only one.
When a thousand mute discussions die unnoticed in my head,
When it wouldn't make a difference if you knew what makes me sad.

When I'm afraid I'll hurt myself, still wanting you around,
I know he understands me, and in his eyes I drown

In a cooling wash of comfort,
In a warming wave of hope.
All my worries lose importance,
And I just let go.
I let go (*I let go*),
I let go (*I let go*),
Ooooh...

When I'm raging like a fury with no apparent cause at hand,
When I don't know how to deal with you and you don't understand.
When my eyes are burning and I'm crying at the world
And the chilling veils of ignorance and solitude unfurl.

When I'm a prisoner of myself, too stunned to make a sound,
I know he understands me, and in his eyes I drown

In a cooling wash of comfort,
In a warming wave of hope.
All my worries lose importance,
And I just let go.

I let go (*I let go*),
I let go (*I let go*),
Ooooh...
I let go (*I let go*),
I let go (*I let go*),
Ooooh...

And I've been hurting for so long
But I don't know who to blame any more.
And I'll be sorry when you're gone
But it's time I found out
Whom I'm living for.

When I'm close to tears, remembering we will part one day,
When I prefer to keep all this to me, ashamed of what you'd say.
When I fight against ambivalence without a chance to win,
When I tell you of the places you don't know I've never been.

Then I'm despairing at myself, afraid of losing ground,
But I know he understands me, and in his eyes I drown

In a cooling wash of comfort,
In a warming wave of hope.
All my worries lose importance,
And I just let go.
I let go (*I let go*),
I let go (*I let go*),
Ooooh...

I let go (*I let go*),
I let go (*I let go*),
Ooooh...

I let go (*I let go*),
I let go (*I let go*),
Ooooh...

I let go (*I let go*),
I let go (*I let go*),
Ooooh...
